

## Spice Oil

Verstegen Spice Oil are available in seven different flavours. Each marinade is made using sustainable ingredients, unique to the region, allowing you to create all sorts of global flavours. Make the most of current food trends by including everything from South American to Mediterranean dishes into your menu in all sorts of innovative ways.

### Cumin Oregano

The Cumin Oregano oil encompasses the very best flavours from North African, Greek and Turkish cuisine with a finely balanced blend of herbs, spices and vegetables such as caraway seed, pepper, cumin, paprika, thyme, onion, garlic, rosemary and oregano.

### Green Herbs Garlic

Cooking is all about combining ingredients. This is also true for the Mediterranean flavours incorporated in the Spice Oil Green Herbs Garlic. This oil is a rich and versatile combination of fine herbs and garlic with a delicious buttery note. Be inspired!

## Spicemix del Mondo

### Chilli Paprika

Add a dash of South American flair to your meals with our Chilli Paprika Spice Oil. The ingredients are all imported directly from a continent where colour, aroma and refined flavours are key.

### Curry Ginger

Curry Ginger Spice Oil fully embraces Asian cuisine. Ingredients such as ginger, turmeric, cardamom, onion, paprika, garlic, chillies and coriander will add a warm and delicious Asian twist to your dishes.

### Roasted Garlic Huacatay

Peruvian cuisine stems from a real melting pot of many different cultures. The Spice Oil Roasted Garlic Huacatay, which is part of our Peruvian range, reflects this. Delicious huacatay leaf combined with roasted garlic, sweet peppers, cumin, chillies and paprika give this Spice Oil a truly unique Peruvian flavour.

### Tomato Basil

Seen as the base of all good Italian food, this oil uses the best herbs that are instantly associated with Italy. You'll taste thyme, oregano, parsley and basil, all against the bold flavour of beautiful tomatoes.

### Smoked Paprika Jalapeno

Giving your food an unforgettably Mexican twist and perfect for anyone who wants to create on-trend street food. The unmistakable flavours of jalapeño pepper, coriander and smoked paprika will instantly bring your food up a notch.

### Pure as a starting point

We always try to develop our products so that the raw materials and combinations used are as pure as possible. It is our goal to create the flavour you have come to expect from a specialist. However, in some cases we need to use common allergens to create just the right flavour. Which products include common allergens? We like to make sure you know what you're eating. Each number corresponds to an allergen. Does a product feature a Pure logo? This means it is 100% Pure. In other words, it does not contain any common allergens, it is MSG-free, it does not contain any phosphates and it is low in salt.

### Common allergens

- ① Grains containing gluten
- ⑥ Soy
- ⑨ Celery
- ⑩ Mustard
- ⑪ Sesame seeds

## TASTE THE WORLD with **Spice Oil** and **Spicemix del Mondo**

Discover international cuisine and a wealth of new dishes with **Spice Oil** and **Spicemix del Mondo**. The good news is that nearly all **Spice Oils** and **Spicemixes del Mondo** have been allocated a **Pure** label. This means they contain much less salt than other oils and seasoning mixes and that they don't contain any declarable allergens, **MSG** or **phosphates**. A tasty and sensible choice for both you and your customers.

### Spice Oil

Just a little Verstegen Spice Oil will allow you to flavour your dishes to perfection. Our Spice Oils have all been created using high-quality Verstegen ingredients, just like you would expect. This ensures great flavour transfer in both hot and cold

dishes. Our Spice Oil offers a wealth of options and can be used in meat, fish and vegetable dishes, rice, soup, pasta, pizza, breads, salads, sauces, dressings, herb butters and more...

### Spicemix del Mondo

Spicemix del Mondo is a special range of coarse spice mixes which combine authenticity with convenience. The mixes have been created so that you can easily recreate authentic international flavours and dishes.

The mixes are low in salt and can also be used in both cold and hot dishes. The mixes also provide a satisfying burst of colour to your meals.
